Intro/ Verse: D/D`/D* G

These notes sound good

I think I like this tune

You know I could

But I don` t assume

Please don` t stare at the sun

I know it makes you blind

You try to run

Is that your kind

E G

It`s not a waste of time

D/D`/D*

When you breathe

E D/D`/D*

It`s not a waste of time

Every breath you take

Makes you breath the world

It`s not always a fake

When they offer you pearls

So catch some time

And put it in your head

The memory will shine

Until you are dead

It`s not a waste of time

When you breathe

It`s not a waste of time
