B Fis\* Gis\* E\*

Can you tell me about the birds

B Fis\* Gis\* E\*

When it`s cold they fly away

B Fis\* Gis\* E\*

Can you tell me about ourselves

B Fis\* Gis\* E\*

When it`s over we stop to talk

B H Gis A

But sometimes there are unspoken words

B Fis Gis E

Can you tell me about the birds

Have I told you about my fears

I guess not - would you

Have I told you I dropped some tears

These lines begin to hurt

But sometimes there are unspoken words

Can you tell me about the birds

They fly away
